GULF TO GULF 2022

Conditions of participation

Liability: The operator (and their staff and agents) aim to conduct the event as advertised, professionally, safely and to the best of their abilities but shall not be held liable for the ultimate safety of riders.

Health and experience: Riders should be in good health and have suitable experience including long days and safe riding with vehicle traffic. The operator reserves the right to terminate the participation of a rider if the operator feels it is unsafe for the rider to continue. In this case the rider will be given the choice of assisting instead.

Covid19: The event will operate to any Covid-safe requirements applying. See also 'Cancellation Conditions' below.

Alterations: The operator is not responsible for inconvenience or extra costs incurred in circumstances beyond the operator's control such as delays or alterations caused by weather events, road conditions, other transport or equipment failure. The operator reserves the right to alter the schedule according to circumstances.

Note that in 2019 the Birdsville Track was closed by floods for months ahead of our event. We rode it for 200km, reaching Mungerannie Roadhouse, and with the track still closed, we packed up and relocated, detouring over 1000km on dusty dirt roads in 4+ days in our 3 vehicles via the rugged Strzelecki Track and Innamincka. This lost 4 riding days but put the event back on schedule. In 2016 Birdsville copped a rare downfall of 60mm over the 24 hours just after our arrival and the town was closed off for 5 days. With some very long ride days we made up time and reached Karumba on what was to be a rest day. On both events riders were not put to extra expense through these re-arrangements. Be ready to adapt if we need to.

Images: During the event images will be taken by our crew and other riders. All participants on the event agree that their image may appear on social media of Outbike, Arcadia Travel and elsewhere. Images may be used by Outbike for promotion.

Cancellation Conditions:

1. Deposit payments of \$100 (upon full registration by 30 June 2021) and \$900 (due 31 Dec 2021) are NOT REFUNDABLE on cancellation – except in Covid related circumstances.
2. By 31 Mar 2022 participants will be paid in full or liable to lose their place. Cancellation between 1 April 2022 and the start of the event will receive a 50% refund.
3. If the event is cancelled by Outbike due to Covid or other circumstance, full refunds of any payments will be made.

Travel insurance: Consider a policy to cover cancellation or other unseen events.

Participation: To proceed, the event is subject to minimum numbers of 10 riders. We aim for a maximum of 20 riders but will accept up to 22 entries to allow for possible late withdrawals.
